Cleveland Nonviolence Network Presents the

2021 Annual State of Nonviolence

Featuring

Andrew J. Bacevich, Ph.D.

President of the Quincy Institute for Responsible Statecraft
Professor Emeritus of International Relations and History at Boston University

Professor Bacevich will discuss how the United States war in Afghanistan demonstrates the inefficacy of using military force to achieve stability and/or foreign policy goals, and explore nonviolent, non-militaristic alternative means of conflict resolution in the international arena.

NONVIOLENCE WORKS; WAR DOESN'T.
